

# We Are About People and Place

# Our Essential Members

Chamber of  
Commerce

**OLDS  
COLLEGE**

# We Were Sanctioned by Town Council

We Are Committed to:

- sustainability principles & dimensions;
- participatory citizen-informed decision making; and
- partnerships & collaboration.

**Leading Change TOGETHER**

# Our Mandate

- ▶ To facilitate broad based community & district wide consultations with business owners and operators, investors, educators, providers of government and health services, organizations that support seniors, youth, recreation, tourism, arts & culture, communication & technology providers, elected officials, volunteers and residents of our community and the region.
- ▶ To ensure all community development decisions and recommendations are assessed as to the impact they will have on the economic, social, cultural, educational, environmental, and political / governance dimensions to realize a balanced growth and to increase the wealth of the community and the region; and
- ▶ To support the building of community and regional capacity which is represented by skills, knowledge, and the ability to find the tools and resources to accomplish this.

# Our Values

- ▶ **Innovation** – to think and act beyond what is expected
- ▶ **Accountability** – to take responsibility for our decisions, actions, and outcomes
- ▶ **Collaboration** – to utilize broad based input to work cooperatively and openly in achieving a common goal for betterment of Olds & District
- ▶ **Behave with Integrity** – to apply principle based decisions in an honest, transparent and respectful manner

# Our Governance Framework
